**About The ARC Group, LLC**

The ARC Group LLC, founded in 2003, is an agricultural risk consulting group. The ARC Group, LLC helps producers professionally merchandise their grain by following a disciplined risk management program which focuses on three key principles: futures, carry, and basis. All three need to be maximized to have a successful marketing plan. The ARC Group, LLC is an independent local company. Our consultants have the experience and expertise to help you implement and execute a merchandising plan tailored to your operation. We are completely aligned with the farmer’s best interests by having a risk management strategy independent of all end users.
