

Shasta Buss

November 15, 2019, Britton, SD - The ARC Group, LLC, welcomes Shasta Buss as a Grain Settlement Clerk at the grain marketing company's Britton, South Dakota office.

In this position, she will be responsible for reconciling grain settlements and processing payments to farmers, as well as perform the role of an Administrative Assistant on an as-needed basis.

Shasta joins The ARC Group with nine years' experience in the ag industry.

Angela Runnion-Frerichs, of The ARC Group, says, "I am very excited to welcome Shasta to our team. Her ag experience, as well as her positive attitude, is going to be a wonderful addition."

About The ARC Group, LLC

The ARC Group LLC, founded in 2003, is an agricultural risk consulting group. The ARC Group, LLC helps producers professionally merchandise their grain by following a disciplined risk management program which focuses on three key principles: futures, carry, and basis. All three need to be maximized to have a successful marketing plan. The ARC Group, LLC is an independent local company. Our consultants have the experience and expertise to help you implement and execute a merchandising plan tailored to your operation. We are completely aligned with the farmer's best interests by having a risk management strategy independent of all end users. For more information, visit agriskconsulting.net.
